**Are you a Unit in Good Standing?
Would you like your PTA to be an "Honor Unit"?**

The criteria of an Honor Unit requires a that a local PTA unit have well trained leaders, is responsive to its membership and focuses its activities on needs of children. In addition, the unit demonstrates basic financial management practices, which help preserve the non-profit status of PTA. These practices help each unit maintain it status as a Unit in Good Standing, which is required by Alaska PTA bylaws.

On the other side of this page, are three categories for achievement of Honor Unit status. Upon successful completion of all three categories, the PTA unit will receive a certificate distinguishing it as an **Alaska PTA Honor Unit** for 2008. Honor Units will be acknowledged at the **Alaska PTA Convention** in April.

Please mail this completed forms with your PTA Presidents signature **by March 15, 2008** to:
